Walden Two

Walden Two is a utopian novel written by behavioral psychologist B. F. Skinner, first published in 1948. In its time, it could have been considered science fiction, since science-based methods for altering people's behavior did not yet exist. Such methods are now known as applied behavior analysis .

Walden Two - Wikipedia

This is the purpose of Walden Two -- to create, albeit fictionally, such a mindless and soul-less world, and examine how such a world would work, and what living in it would, or could, be like. What it does not examine is whether such a world is sustainable.
